

CCWH Host Program

The CCWH is looking to connect members who are willing to help each other in a concrete and meaningful way. By becoming a CCWH Host, you would make your home available to other members looking for a place to stay during a conference or a short research trip.

The Host Program Coordinator would give your name to any member who will contact her looking for a place to stay. Members would communicate directly and make final arrangements on lodging. The CCWH Host Program Coordinator would only connect Hosts and Guests; individuals would ultimately be responsible for any specific agreements made.

This program has the potential of being transformational for women in history! We truly hope you will find it useful to you and others. Please complete this form, sign, and return to our **CCWH Host Program Committee** at host@theccwh.org.

Please feel free to contact the committee with any additional questions at host@theccwh.org.
